### Welcome and Announcements

### Prelude

### Call to Worship

Faithful God, your mercies to us are new every morning.

**In your presence we gather to give you our thanks and praise.**

You know our hearts in their depths, your knowledge is not limited by human perspective.

**Your creation unfolds its gifts for us daily ~ a great tapestry of love you have spread for our care.**

What can we offer you but our worship, our lives, and our love?

**Great is your faithfulness unto us!**

### Prayer of the Day

\*Hymn No. 611

**Joyful, Joyful, We Adore Thee**

### Prayer of Confession

**Living, loving God, as we watch growth in our gardens and in the children around us, we confess we often resist growth and change as we grow older. We form ideas and opinions about many things – and cling to them. We think we already know what you desire from us and fear new insights and new directions. Forgive us for thinking we know it all. Forgive us for blocking out the concerns and commitments of those who differ with us. Open our eyes, our ears, and our hearts to signs of new life. Grant us faith like a mustard seed, so small and insignificant on its own, yet able to grow with your blessing to become a mighty sign of your lively kingdom among us. Amen**

Grow results we cannot even imagine – within us, among us, because of us, and beyond us, for the sake of Christ, our Living Lord. Amen**
